The short essay questions evaluate not only whether students have read the material, but also how well they understand and can apply it.

A Dance to the Music of Time: A Question of Upbringing. a ...

"A Question of Upbringing" is the first volume of Anthony Powell's series "A Dance to the Music of Time." In it we discover the narrator Jenkins, actually Powell himself, and his friends Templer and Stringham, classmates at a public school, likely based on Eton which Powell himself attended.

Anthony Powell's universally acclaimed epic A Dance to the Music of Time offers a matchless panorama of twentieth-century London. Now, for the first time in decades, readers in the United States can read the books of Dance as they were originally published—as twelve individual novels—but with a twenty-first-century twist: they're available only as e-books. A Question of Upbringing (1951) introduces us to the young Nick Jenkins and his housemates at boarding school in the years just after World War I. Boyhood pranks and visits from relatives bring to life the amusements and longeurs of schooldays even as they reveal characters and traits that will follow Jenkins and his friends through adolescence and beyond: Peter Templer, a rich, passionate womanizer; Charles Stringham, aristocratic and louche; and Kenneth Widmerpool, awkward and unhappy, yet strikingly ambitious. By the end of the novel, Jenkins has finished university and is setting out on a life in London; old ties are fraying, new ones are forming, and the first steps of the dance are well underway. "Anthony Powell is the best living English novelist by far. His admirers are addicts, let us face it, held in thrall by a magician."—Chicago Tribune "A book which creates a world and explores it in depth, which ponders changing relationships and values, which creates brilliantly living and diverse characters and then watches them grow and change in their milieu. . . . Powell's world is as large and as complex as Proust's."—Elizabeth Janeway, New York Times "One of the most important works of fiction since the Second World War. . . . The novel looked, as it began, something like a comedy of manners; then, for a while, like a tragedy of manners; now like a vastly entertaining, deeply melancholy, yet somehow courageous statement about human experience."—Naomi Bliven, New Yorker "The most brilliant and penetrating novelist we have."—Kingsley Amis "There is no other work in the annals of European fiction that attempts meticulously to recreate half a century of history, decade by decade, with anything like the emotional precision or details of Powell's twelve volumes. Neither Balzac's panorama of the Restoration, nor Zola's chronicles of the Second Empire, nor Proust's reveries in the Belle Epoque can match a comparable span of time, an attention to variations within it, or a compositional intricacy capable of uniting them into a single narrative. . . . The elegance of this artifice was only compatible with comedy."—Perry Anderson

Anthony Powell's universally acclaimed epic A Dance to the Music of Time offers a matchless panorama of twentieth-century London. Now, for the first time in decades, readers in the United States can read the books of Dance as they were originally published—as twelve individual novels—but with a twenty-first-century twist: they're available only as e-books. In the final volume, Hearing Secret Harmonies, Nick and his contemporaries have begun to settle into the quieter stages of later life—even as the rise of the counterculture signals that a new generation is

pushing its way to the front. The darkly fascinating young Scorpio Murtlock unexpectedly draws Widmerpool into his orbit, calling to mind occult and cultish doings from earlier decades; close friends leave the stage, never to be replaced in this life; and, drawing all the long, tangled strands together, Anthony Powell sounds an unforgettable requiem for an age. "Anthony Powell is the best living English novelist by far. His admirers are addicts, let us face it, held in thrall by a magician."--Chicago Tribune "A book which creates a world and explores it in depth, which ponders changing relationships and values, which creates brilliantly living and diverse characters and then watches them grow and change in their milieu. . . . Powell's world is as large and as complex as Proust's."--Elizabeth Janeway, New York Times "One of the most important works of fiction since the Second World War. . . . The novel looked, as it began, something like a comedy of manners; then, for a while, like a tragedy of manners; now like a vastly entertaining, deeply melancholy, yet somehow courageous statement about human experience."--Naomi Bliven, New Yorker "The most brilliant and penetrating novelist we have."--Kingsley Amis

Anthony Powell's universally acclaimed epic encompasses a four-volume panorama of twentieth century London. Hailed by Time as "brilliant literary comedy as well as a brilliant sketch of the times," A Dance to the Music of Time opens just after World War I. Amid the fever of the 1920s and the first chill of the 1930s, Nick Jenkins and his friends confront sex, society, business, and art. In the second volume they move to London in a whirl of marriage and adulteries, fashions and frivolities, personal triumphs and failures. These books "provide an unsurpassed picture, at once gay and melancholy, of social and artistic life in Britain between the wars" (Arthur Schlesinger, Jr.). The third volume follows Nick into army life and evokes London during the blitz. In the climactic final volume, England has won the war and must now count the losses. Four very different young men on the threshold of manhood dominate this opening volume of A Dance to the Music of Time. The narrator, Jenkins—a budding writer—shares a room with Templer, already a passionate womanizer, and Stringham, aristocratic and reckless. Widmerpool, as hopelessly awkward as he is intensely ambitious, lurks on the periphery of their world. Amid the fever of the 1920s and the first chill of the 1930s, these four gain their initiations into sex, society, business, and art. Considered a masterpiece of modern fiction, Powell's epic creates a rich panorama of life in England between the wars. Includes these novels: A Question of Upbringing A Buyer's Market The Acceptance World "Anthony Powell is the best living English novelist by far. His admirers are addicts, let us face it, held in thrall by a magician."--Chicago Tribune "A book which creates a world and explores it in depth, which ponders changing relationships and values, which creates brilliantly living and diverse characters and then watches them grow and change in their milieu. . . . Powell's world is as large and as complex as Proust's."--Elizabeth Janeway, New York Times "One of the most important works of fiction since the Second World War. . . . The novel looked, as it began, something like a comedy of manners; then, for a while, like a tragedy of manners; now like a vastly entertaining, deeply melancholy, yet somehow courageous statement about human experience."--Naomi Bliven, New Yorker
