Are angels and demons real? What makes the New Age the New Age? Does consciousness survive death? Writing from the perspective of a practicing ceremonial magician, one of America's most knowledgeable and engaging authorities on Western Hermeticism answers these questions and many more with humor and personal anecdotes. In response to actual questions many people have asked him about angels and demons, well-known author and philosophy professor Peter Kreeft separates fact from fantasy and myth from reality as he answers 100 common questions about these spiritual beings. Based on a very popular college course he teaches on this subject, this book responds to the incredible amount of interest in angelic beings and attempts to clear up some of the misinformation abounding in the numerous books today on what we know about these mysterious spirits. Drawing on the Bible, traditional Church teaching and St. Thomas Aquinas, Kreeft gives straight, clear answers to the perennial and philosophical questions asked about angels and demons throughout time. In his typical lucid, profound and sometimes humorous style, Kreeft answers such questions as "What are angels made of?", "How do angels communicate with God?", "How do angels communicate with us?", "Do demons, or devils, or evil spirits really exist?" and many more. Includes angel art. Peter Kreeft, Ph.D., is a professor of philosophy at Boston College. He is a regular contributor to several Catholic publications, is in wide demand as a speaker at conferences,

All my life, I've been thinking about the same thing...That because of who I was, I was destined to be alone forever... But who would've thought, that I was actually destined to be bound to Death himself? "His fingers went under my chin, coaxing me to look back up at him and as soon as I did, my heart started racing again, noticing the way his haunting eyes were now trained on my lips as he huskily said those two words again,"Forgive me."And before I could utter a single word, his soft, plump lips crashed against mine in a chaste, yet passionate kiss, sending warm tingles all over my body, making my heart almost jump out of my chest as we stayed like that for a few moments, before he suddenly pulled back, staring at me a little shocked, only now realizing what he had just done, then turned around and quickly walked away, leaving me standing there, speechless."

THERE ARE FOUR THINGS I AM ABSOLUTELY POSITIVE ABOUT. FIRST, GOD EXISTS, RULES THE UNIVERSE, AND KNOWS US BY NAME. SECOND, GOD APPOINTS US ANGELS, KEEPS US SAFE, AND TEACHES US LIFE LESSONS. THIRD, SATAN AND HIS DEMONS WANT TO HURT OR KILL YOU OR FOR YOU TO CURSE GOD. FOURTH, I WILL SHARE MY REAL-LIFE EXPERIENCES WITH YOU. ***** For really hot days, we had the traditional swing set that was well-used and a little creaky. But our backyard was kind of special. There was room to play ball, plenty of trees to climb, and the best place was the abandoned chicken coop at the back right-hand corner of the property. Missing the door and all its windows and with its rotted and tattered siding gave it the appearance of being haunted. The wood flooring was mostly rotten, but even with these conditions it was a great place to play army. The standard order of the day from our parents was, "Stay out of the chicken coop." ***** The attack came without any warning! I was facing the interior of the bed as I slept on my left side. There was a crushing blow to my back from the top of my shoulders to the small of my back. It was a solid object of massive intensity. During impact, it slid my whole body approximately six inches from its original sleeping position. The enormous pain was emanating from my back through my rib cage to the full front of my body.
