This pocket-sized, illustrated guide covers every significant make and model of car sold in Europe and North America during the 2006-2007 model year, from giants like Ford and VW to small-scale manufacturers such as Morgan and Noble. Each model is pictured in color, with a data table providing vital statistics to enable comparisons between models. Providing full details for over 700 cars and stretching to 400 pages, this is a must-have reference source and a useful "spotter's guide" for all car enthusiasts.

Based on tests conducted by Consumers Union, this guide rates new cars based on performance, handling, comfort, convenience, reliability, and fuel economy, and includes advice on options and safety statistics.
