have taught Anya a lot about life. Now eighteen, Anya finds that against all odds the nightclub that she opened with her old nemesis, Charles Delacroix, is a huge success and she is on her way to shedding the constraints of her family's criminal past and finding a way to legalize the supplying of chocolate. But Anya has lost Win - the love of her life - as a result of her partnership with his father, Charles. In typical fashion Anya puts the loss of Win behind her, focusing instead on expanding her business. But soon a terrible misjudgement leaves her fighting for her life and for the first time Anya is forced to let people help her. He is one of many: a creature of magic, unrelentingly male. He is lured through the portal by pure female beauty, a virgin sacrifice. She is killed, and he is silenced and enslaved. Their magic can destroy an army or demolish a castle, and each has but one goal: find his queen, then protect and pleasure her at any cost. What would a maiden do if she were given such a servant? What would befall that kingdom foolish enough to allow a battler to escape? Young Solie and the people

And to make matters worse, she's Chase Marino's ex, the one guy who gets under his skin like no other. If the thought of being someone's bitch in jail wasn't enough to scare him, he would've strangled that bastard years ago and tossed the body in the Mojave Desert. But forget about Chase ...
