Essentials of Cost Accounting for Health Care Organizations, Second Edition is a comprehensive text that applies the tools & techniques of cost accounting to the health services field. It's an essential tool for all professionals who need to deal with the challenges of managing health facilities in a difficult economic environment. The new edition has an increased emphasis on managed care as well as a new computer-based component. Instructor's manual available.

Hansen/Mowen's CORNERSTONES OF COST MANAGEMENT demonstrates the dynamic, exciting nature of cost accounting in today's changing business environment. The text first covers functional-based cost and control and then activity-based cost systems, giving students the understanding and skills to manage any cost management system. Cornerstones examples throughout each chapter provide students with step-by-step coverage of the How, Why, and What Ifs of solving and mastering basic cost management concepts, while also getting at the conceptual understanding that students often struggle to grasp. It includes CPA-Type Exercises in each chapter that have been taken directly from past CPA Exams or have been written by the authors to prepare students for their futures in business. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cost Accounting provides comprehensive coverage of cost accounting principles and techniques in short learning segments that make it easier for students to learn and understand the material. In addition to a clear, concise writing style, carefully planned organization, and numerous illustrations, this new edition now offers an even more attractive design that enhances learning while maintaining student interest. A spreadsheet applications disk can be packaged with the text.

Congress asked the General Accounting Office (GAO) to establish a panel of experts to study and make recommendations regarding the Cost Accounting Standards (CAS) Board and the CAS system against the background of the far-reaching procurement reforms of recent years. This group, the CAS Board Review Panel, believes that there is a continuing need for the CAS and the CAS Board. Cost-based contracts continue to represent the majority of all federal contracting dollars and the original purposes of the CAS--principally the need for uniformity and consistency to protect the government from certain risks inherent in cost-based contracts and to improve communications between the government and contractors with regard to those contracts--remain.
