With the exploding growth in today's e-business, Information Technology-based applications are the business. But the risks confronting these applications have never been greater. Cover Your Assets (CYA) is an e-business security manual with policies and procedures for senior managers to help-desk personnel. CYA strengthens existing business models by teaching you to identify protection gaps in both your tangible and intangible assets. Learn to develop a security plan tailored to your application needs and the size of your Web site. Whether you have existing or new applications, CYA shows you how to lock down tangible assets and recommends tools to prevent, detect, and react to security challenges. It analyzes quality assurance and takes you through the verification process. It even tells you how to safeguard the physical plant and meet the challenge of "social engineers" trying to sweet-talk their way to sensitive information. With an extensive glossary and annotated bibliography, CYA is required reading for everyone on your team.

This book issues a call to forgiveness to those who have been wounded by their sinful fathers, and to fathers to heed the call of God in their lives before it is too late. (Christian)

DON'T LOOK At first, they struggle to escape. Then a torrent of blows rains down upon their bodies until their eyes cloud over in final agony. The killer shows no remorse—just a twisted need to witness each victim's last terrified moments. DON'T SPEAK Public defender Rachel Wainwright is struggling to reopen a decades-old case, convinced that the wrong man is in prison. Homicide detective Deke Morgan doesn't want to agree. But if Rachel's hunch is correct, whoever fatally bludgeoned young, beautiful Annie Dawson thirty years ago could be the source of a new string of brutal slayings. JUST PREPARE TO DIE Rachel's investigation is about to reveal answers—but at a price she never thought to pay. Now she's become the target of a rage honed by years of jealousy and madness. And a murderer is ready to show her just how
