50 Pips A Day Forex Strategy Start making consistent profits in the forex market. This is a very clear and simple to follow forex trading strategy to get you started achieving consistent profits day after day trading the forex market. It will make you 50 pips per day or more every day. It is ideal for beginner traders but it will give a great deal of help to more experienced traders that have not found a clear strategy to make profits consistently. Components Support and Resistance Candlesticks Moving Average Time frame - 4 hours chart It is easy to understand and to put in practice. It has very well defined entry, stop loss and exit levels. Apart from the strategy, this book also contains a very useful guide that teaches you how to construct a profitable forex trading system for yourself and how to avoid trading and money management mistakes. How to Build a Solid Trading System Are you new to forex trading or just started to trade on a live account but with not much success ? You need a solid forex trading system based on sound principles of the forex market, that has clear trading and money management rules.

Do you have a forex trading system and you have been trading with it for a period of time but still you don't have the success you hoped for ? This can only mean that your trading system does not take into account the basic trading rules and principles that any powerful forex trading system incorporates. This book teaches you how to construct your own powerful forex trading system, what are the most important forex trading tools that you must include in it, what not to include in your forex trading system, how to apply solid money management rules and equally important, how to avoid making trading mistakes that will cost you when you start to trade with your newly developed forex system.

Learn A Powerful Day Trading Strategy In Less Than 60 Minutes A profitable trading strategy is the most important tool for a trader. This book explains a powerful trend-following day trading strategy for trading futures, stocks, ETFs and Forex. "The Simple Strategy" Is Easy To Understand And To Trade The Simple Strategy is very popular amongst traders for the following reasons: Clear Entry Rules When trading "The Simple Strategy," there's no second-guessing. As you will see, the entry rules are based on indicators - and these rules are black and white. Either the MACD is above the zero line or it isn't. And either the RSI is above 70 or it isn't. The entries are easy to identify and execute. That's why this strategy is called "The Simple Strategy"

Access PDF Forex The Simple Daily Strategy That Will Change The Way You Trade

Clear Exit Rules When trading "The Simple Strategy" you'll know when to exit even before you enter the trade. So, you know exactly how much to risk on any given trade which is essential for precise position sizing and money management. Plus, you can put the trade on auto-pilot once your entry order is filled. This keeps trade management to a minimum. It's easy and simple. Taking advantage of small intraday trends These days trends are short-lived. The times when you could enter the market in the morning and exit the market in the afternoon are over. These days the markets can turn on a dime. Low trading commissions and computerized trading have destroyed the nice and long intraday trends. However, with "The Simple Strategy" you can take advantage of the small intraday trends that we are seeing in today's markets. You don't need a sophisticated trading software If you want to trade "The Simple Strategy," you only need a charting software with "basic" charting capabilities: Your charting software needs to be able to plot RANGE BARS, BOLLINGER BANDS, MACD and RSI. More than 90% of the charting software packages that are available today have these capabilities. There's no need to buy any proprietary indicators or expensive charting software! In short: "The Simple Strategy" can greatly simplify your trading. *** WARNING: This Book Is NOT For Everybody! *** Do NOT buy this book if... ... You Are Looking For The "Holy Grail" Because it doesn't exist!

Access PDF Forex The Simple Daily Strategy That Will Change The Way You Trade

When trading "The Simple Strategy," there will be losses! Losses are part of our business as traders. The good news: If you follow the rules of "The Simple Strategy," then you will make more money on your profitable trades than you lose on your losing trades. In fact, the risk/reward ratio of this strategy is 1: 1.5, so you can expect to make \$150 for every \$100 you risk. ... You Want To Automate Your Trading Strategies "The Simple Strategy" will give you clear entry signals, but it's up to YOU to decide if you want to take the signal. As an example, I personally do NOT trade right into a major report. And I only trade the first two hours after the markets open, since most trends occur during this time. Makes sense?

The purpose of this book is to show you how to make money trading Forex. Thousands of people, all over the world, are trading Forex and making tons of money. Why not you? All you need to start trading Forex is a computer and an Internet connection. You can do it from the comfort of your home, in your spare time without leaving your day job. And you don't need a large sum of money to start, you can trade initially with a minimal sum, or better off, you can start practicing with a demo account without the need to deposit any money. Forex Trading is very simple and straightforward, we only deal with a pair of currencies, and it has quite a high profit potential. Forex allows even beginners the

Would you like to gain financial freedom and eventually quit your day job? Are you new to investing and looking for expert guidance to help you enhance your skills? If you're ready to take your fortune into your own hands by making smart investments, this is the book for you. Read on! Forex, also known as exchange or FX, involves buying and selling different currencies with the aim of earning profits based on fluctuations in the values of these currencies. This essential guidebook empowers you to understand the ins and outs of forex trading, develop winning strategies and identify the indicators necessary for success. While stock market investments can generate a great deal of profit, the average investor actually loses money over the course of a year. Effective trading requires applying specific strategies and developing a certain mindset. Trading blindly is nothing more than gambling --- and not worth the risk. The forex market is the largest market in the world. Because it is decentralized and even bigger than the stock exchange market, forex attracts a large number of traders, from beginners to experts. This makes finding a buyer or seller easier than in other trade markets. Despite the inherent risks that come with any type of trading, Forex offers many advantages, from leverage to fast returns to simple tax rules. In the past, traders had to go through brokers. Today, advancements in technology enable traders to transact directly using trading platform software and

Observation of charts - I came to understand the price dynamics that are repeated every day and with these, I developed the trading strategy that I have been successfully using for a decade. The Price in Time presents a clear, powerful and well organized working method that will enable you to know exactly how to act once you enter the market. By reading The Price in Time you will learn: How to understand the recurring intraday price dynamics What the exact price levels to enter the market is What is the real daily opening price to consider in forex and why is it important Determine the "No trading zone" area Stop loss where to place it and why How to find the intraday supports and resistances that institutional traders use and which no retail trader can see (important to place your take profits) Why timeframes are useless for trading Powerful trade management variants And much more... With this trading method you will not need to spend hours and hours in front of the graphs trying to find all the various patterns of technical analysis or price action but you just need to turn on your pc, place your Buy and Sell orders and wait to enter the market already knowing how to manage your trades. If you want to learn a high profitability trading strategy that will enable you to become a profitable trader, click on the "Buy Now" button at the top of this page and get your copy of The Price in Time NOW!
