Larson Fundamental Accounting Principles is the market leader in Canada due to its focus on innovation, including market driven development, student-centered content and pedagogy, and innovative technology. Written in a clear and technically accurate manner, the 15th Canadian Edition continues to emphasize student success at its core. A wealth and variety of problem material allows students to build confidence, and provides them with an opportunity to practice and master accounting concepts. New Canadian author, Heidi Dieckmann, conveys dynamic energy and a consistent voice across both Volumes 1&2, by incorporating fresh and exciting real world examples and companies that make accounting even more relevant to today's students. Larson provides a comprehensive set of resources for both instructors and students to support a wide range of teaching and learning.

This text uses entrepreneurial examples, the integration of computerized learning tools and a pedagogical design to introduce the fundamentals of accounting. The CD-ROMs help students further understand the key concepts of accounting and their role in business.

Fundamental Accounting Principles remains the most successful introductory accounting text in Canada. The 10th Canadian Edition benefits from a winning new author team, and a research and development process that is unprecedented in Canadian College Publishing. The result is a highly market driven text that responds to the evolving needs of today's classroom. The text's hallmarks; readability, superior problem material and high production value; have been expanded and improved, reflecting extensive user and reviewer feedback. With a sole proprietor focus, the text patiently brings the student into the accounting cycle and the key financial statements, with an appreciation for the role and importance of the accounting function stressed throughout. The 10 c/e is available in 3 volumes, or in a hardbound financial

accounting version.

With 55 years of success in the principles of accounting market, Fundamental Accounting Principles, 20th edition by Wild, Shaw and Chiappetta has endured and adapted to changes in accounting, technology, and student learning styles. Its innovation is reflected in its extensive use of small business examples, the integration of new technology learning tools, superior end-of-chapter material, and a highly engaging, pedagogical design.

A Study Guide (prepared by Barbara Chiappetta). covers each chapter and appendix with reviews of the learning objectives, outlines of the chapters, and summaries of chapter materials. It also provides additional problems and solutions..
