For Lesson 14 and consolidation it is VERY important that you work on  
things that you LOVE playing. I want you to look forward to your  
guitar practice and not think it's a drag. So edit your routine so it  
includes things that you really want to work on - if it means leaving  
some things for a while, so be it - but don't risk getting bored or  
frustrated - find the things you love doing and work ...
