A woman such as this is likely to have a poor support network and is often found in a low-level job. She feels “stuck,” out-of-step, deprived of intimacy and unable to act spontaneously. One such woman is quoted in Lifeprints (Baruch et al, 1983) as having stated: I would never go any place by myself.

Unique, unchanging, and formed five months before birth, fingerprints have been an accepted and infallible means of personal identification for a century. In LIFEPRINTS, Richard Unger presents a groundbreaking method of self-discovery and offers a daily compass for meaning and fulfillment. Combining the science of dermatoglyphics (the study of fingerprints and related line and hand shape designations) with the ancient wisdom of palmistry, the LifePrints system is a simple yet profoundly accurate means of mapping one's life purpose. Like examining an acorn to know what kind of oak tree may one day emerge, reading our fingerprints reveals who we are meant to become. • A guide to discovering one's life purpose by decoding the map revealed in our unique combination of fingerprints. • This new system is based on the author's 25 years of research and fingerprint statistics for more than 52,000 hands. • Features step-by-step instructions for identifying the fingerprints and mapping the life lessons for reaching our full potential. • Includes detailed case studies plus fingerprint readings for Albert Einstein, John F. Kennedy, Amelia Earhart, Walt Disney, Susan B. Anthony, Martin Luther King, Charles Manson, and others.

Examines factors that affect a woman's happiness, ranging from marriage and children to individual activities and goals, and offers guidelines for decision making

"Chronicles in seamless prose her own journeys as a person with a disability. She ends her memoir triumphantly, claiming proudly her identity as a feminist writer with a disability."--Library Journal

In an accessible style and readable prose, Barbara Weir Huber explores the myth of Psyche, interweaving research from diverse disciplines such as current feminist and educational theories, mythology, literature, psychology, and cultural anthropology. She offers an original, critical reinterpretation of the myth, highlighting the way it overtly portrays female experience in a patriarchal context while covertly affirming all aspects of female life.

Discover How to Live More & Give More Have you ever wondered how to create a personal legacy that will endure? Greg Hammond and Ron Ware help people just like you discover that both generous living and generous giving are possible! With their guidance, you can learn how to gain confidence, clarity, and financial freedom. You can create a life and legacy plan that provides abundantly for your family and makes a powerful impact on the charitable causes and organizations you care about most. After all, if you knew you could, wouldn't you? A portion of the proceeds from the sale of this book will be directed to the Do More That Matters Foundation Fund.
