This second edition builds on the first, while making significant changes that reflect new trends in the study of American immigration history. The field was first

Get Free Major Problems In

centrally defined in the mid-twentieth century by the study of immigrants from Europe. Asians and Latinos were not considered

"immigrants"--People who settled permanently in the United States.

They were considered "birds of

passage"--people who did not experience the same social processes of

Get Free Major Problems In

incorporation and assimilation as did Europeans. As immigration from Asia and Latin America to the United States surged in the last third of the twentieth century, scholars began to pay more attention to their experiences, both historical and contemporary. A much more diverse and

Get Free Major Problems In

inclusive portrait of the American immigration experience has emerged.

Collects essays and documents that explore themes such as the political and economic forces which cause immigration; the alienation and uprootedness that often follow relocation; and, the difficult questions of
