My Single Friend is a chick-lit that contained all the right elements you would expect to find in such a book: it is funny (sometimes laugh-out-loud), it is romantic (in a cheesy sort of way), it is quirky (and cringe-worthy), it is light, witty, and just purely fun.

My Single Friend by Jane Costello - Goodreads

My single friend is another great book by Jane Costello. The story follows Lucy and her unsuccessful love life and her best friend Henry who is also unlucky in love. With the help of Lucy's two friends Erin and Dominique they embark on "project Henry" where he is given a makeover, new clothes, hair and even help with flirting, but no one realises how successful this makeover will be...especially no Lucy.

Who said men and women can't be friends? At 28, Lucy is doing well for herself. She's got a great job in PR, her boss loves her, and her best girlfriends Dominique and Erin think she's great. More important than anyone's opinion is that of her flatmate, and oldest friend in the world, Henry. For twenty years they've been inseparable: beauty and the geek. Henry thinks the world of Lucy. So why does she feel the need to lie outrageously on dates? From rock-climbing to Chekov: when it comes to prospective boyfriends, Lucy is compelled to embellish her C.V. with unlikely porkies that always backfire - with hilarious results. Henry can't understand it. Lucy is so loveable: why can't she just be herself? But when Lucy turns the spotlight on Henry, he wishes he'd never brought it up. With a penchant for jumpers and NHS-style specs, Lucy decides that Henry is in need of a makeover - big time. Enlisting the help of Dom and Erin, it's not long before the girls have Henry out of the flat, and into the Topman changing rooms. A new haircut, contact lenses, a flirting master-class from Dom . . . poor Henry doesn't know what's hit him. But nothing can prepare them for the surprise results! Before long, Lucy realises that their lives will never be the same again.

THE SUNDAY TIMES TOP TEN BESTSELLING AUTHOR It's a happy day for everyone except the bridesmaid ... With less than an hour to go before her best friend, Grace, is to walk down the aisle, Evie is attempting to fulfil her most important bridesmaid role: to deposit the bride at the start-line at the appointed time. But with a bride famed for her chaotic sense of time, and the bride's daughter busy mashing Molton Brown into the expensive hotel carpet, minus underwear, the odds are stacked against her. Evie is twenty-seven; a sparkly, down-to-earth journalist. She has never been in love and has started to fret that she never will be. Small wonder, then, that the prospect of being bridesmaid at no less than three impending weddings is one that fills her with trepidation. But then she meets her friend Valentina's date, Jack. Valentina is beautiful, shallow and self-obsessed. Her dates tend to be mirror-images. Which can mean only one thing: Jack can't possibly be as good as he seems. Can he? Full of warmth, fun and laughter, *Bridesmaids* is a novel to devour!

LACE UP YOUR RUNNING SHOES AND CATCH THIS FUN ROMANTIC COMEDY FROM THE SUNDAY TIMES TOP TEN BESTSELLING AUTHOR He's a real catch . . . if only she could catch him up. Abby Rogers has been on health kicks before - they involve eating one blueberry muffin for breakfast instead of two. But since starting her own business, after watching one too many episodes of *The Apprentice*, the 28-year-old's waistline has taken even more of a back seat than her long-neglected love life. When Abby is encouraged to join her sporty best friend's running club - by none other than its gorgeous new captain - she finds a mysterious compulsion to exercise. Sadly, her first session doesn't go to plan. Between the obscenely unflattering pink leggings, and the fact that her lungs feel as though they've been set on fire, she vows never to return. Then her colleague Heidi turns up at work and makes a devastating announcement, one that will change her life - and Abby's - forever. Full of warmth, friendship, fun and laughter, *Girl on the Run* is a novel to devour! One for anyone who feels inspired to run, or who wants to run, but sometimes curling up on the couch with a good book feels like a better idea than Couch to 5k...!
