"When we walk, we have time to talk."
The natural human pace is walking.
We can run or sprint, but not for long.
Eventually, we are exhausted and
have to stop. But we can walk almost
endlessly. It is actually amazing how
far we can go when we walk,
ultimately much farther than when we
run. The ¡Anda! program was
designed to give students more
opportunities to pause and take a
breath to take in all that makes up the
exciting Spanish-speaking world.
¡Anda!'s streamlined approach to

grammar and vocabulary helps instructors slow the pace of Elementary and Intermediate Spanish, giving students time to put language to use. New online resources in MySpanishLab -- such as tools that enable students to practice Spanish with native speakers from around the world and engaging video content that offers insights into Spanish-speaking cultures -- further help facilitate meaningful learning experiences within and outside the classroom.

An Answer Key to the Student Activities Manual is available separately, giving instructors the option of allowing students to check their homework. The Answer Key now includes answers to all SAM activities.

conversation. Providing the truly communicative, deeply culture-focused approach instructors believe in along with the guidance and tools students need to be successful using a program with highly communicative goals--with Mosaicos, there is no need to compromise. Recognizing the primacy of the relationship between culture and language, the new Sixth Edition of Mosaicos places culture up front and center, and everywhere in-between!

What you need to know - now!
Designed for beginning language students (no prior knowledge of Spanish is assumed), for whom success in the field is vitally important, Spanish for Health Care prepares you to use "real-life language" on the job immediately. A
