~~African Goddess Yoruba Religion Veve Child Of Oya Orisha Raglan Baseball Tee~~

You know all about Thor, the Norse god of thunder but do you know about Sango and Amadioha. Let's find out their differences and similarities. In African folklore, Amadioha and Sango are gods of ...

Shango came over to America in the hearts of his devotees. They did not choose to make the middle passage, but many of them survived it because they had Shango's example of one who could beat any odds and make any situation advantageous; Shango exemplifies the Philosophy of "When Life Throws Lemons at You, Make Lemonade." His capacity to adapt, to break with old modes, to be individualistic and iconoclastic, makes shango a perfect divinity for the new world, for all of these are traits that have helped us survive and thrive. It is in this spirit that I brazenly claim shango as our beloved paradigm. The most popular orisha in America.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 23. Chapters: Yoruba deities, Yoruba divinities, Shango, Obatala, Eshu, Yemaja, Olokun, Ogoun, Oduduwa, Oya, Egungun-oya, Orunmila, Oshunmare, Ifa, Sopona, Zangbetu, List of Yoruba deities, Nana Buluku. Excerpt: Ifa refers to the system of divination and the verses of the literary corpus known as the Odu Ifa. Yoruba religion identifies Orunmila as the Grand Priest; as that which revealed Oracle divinity to the world. Such is his association with the Oracle divinity; in some instances, the term "Orunmila" is used interchangeably with Ifa. Originating in West Africa in the form of a stringent Yoruba philosophy; celebrated in traditional African medicine, Santeria (referred to as Lukumi), Candomble, West African & Diaspora Vodou, and similarly in Orisa/Ifa lineages all over the globe. In the Yoruba religion, divination gives priests unreserved access to the teachings of Orunmila. Esu, is seen as being in charge of justice and the transportation of ebos, one said to lend authority (ase) to the oracle during provision of direction and or clarification of counsel. Ifa divination rites are claimed to provide an avenue of communication to the spiritual realm. In Togo, Ifa is known as Afa, where the Vodou deities come through and speak. In many of their Egbes, it is Alaundje who is honored as the first Bokono to have been taught how to divine the destiny of humans using the holy system of Afa. The Ifa Divination system was added in 2005 by UNESCO to its list of "Masterpieces of the Oral and Intangible Heritage of Humanity." Performing Ifa divination is called Ifa dida or idafa (or dida owo and ounte ale). Ifa dida / Idafa is performed by a Babalawo or Iyalawo or iyanifa (an initiated priest or priestess). Babalawo can be translated as "father of the secrets" while "Iyalawo" or sometimes "Iyanifa" means "mother that has Ifa(i.e....

A celebration in folklore, mythology, music, and art of the African goddess Oya. This expanded edition of an underground classic (Shambhala, 1987) features new artwork, new chapter introductions, and songs with musical scores. The author of six books, Judith Gleason has traveled extensively to Africa and the Caribbean to research the ancient and contemporary Yoruba and Santeria traditions.

"On his own terms, Brandon more than fulfills his promise to take the reader on the transatlantic journey of the orisha and to explore the complexities of African memory in the diaspora." —American Historical Review "He adeptly addresses broader issues, such as power relations within Caribbean slavery, multiculturalism, and the forms of religious accommodation to cultural change. In addition, he offers a fresh and cogent assessment of the production and reproduction of African beliefs and practices in new contexts. Brandon's exemplary archival research is supplemented by skillful participant observation." —Choice The Yoruba religious tradition arose in West Africa, but its influence has spread beyond Africa to millions of adherents in the Americas as well. Santeria from Africa to the New World retraces one path taken by this tradition—a path from Africa to Cuba and to New York City. George Brandon examines the religion's transatlantic route through Cuban Santeria, Puerto Rican Espiritismo, and Black Nationalism. In following the historical and anthropological evolution of the Yoruba religion, Brandon discusses broader questions of power, multiculturalism, cultural change, and the production and reproduction of African retentions.

Deep-rooted African Spirits, the Orishas are given respect and service in modern Santeria, Vodoo, as well as other Caribbean traditions. Many Yoruba and other West Africans still turn to the Orishas for help and guidance in not only their little problems, but also the big problems of life. Inside you will learn that each Orisha have specific abilities, actions, locations, favorites and also how believers can make petitions to the Orisha that is best capable to work out the difficulty they are going through.

Brought to Cuba as slaves, the Yoruba people of West Africa preserved their religion's heritage by disguising their gods as Catholic saints and worshipping them in secret. The resulting religion is known as Santeria, a blend of primitive magic and Catholicism now practiced by an estimated five million Americans. Santeria: The Religion is an informative and insightful examination of an African religion's survival in the New World. No one could write this book better than Migene Gonzalez-Wippler. Combining her informed study as an anthropologist and personal experience as a Santerian initiate results in a thrilling book that reveals some of Santeria's most spellbinding elements: ·The or?shas: the deities of Santeria. Who they are. What they represent. How they may be contacted. ·The santeros: the priests of Santeria. What they are like. What they do. Initiations into the priesthood. ·The dilogg?n: shells used in divination. How they are used. Methods to consult the gods with the shells. ·Ewe: the magic of Santeria. Includes herbal potions prepared as medicinal cures. Santeria: The Religion covers every aspect of this religion, including its rites and ceremonies. Some of these ceremonies may be considered bizarre or controversial—but, if you want to know the truth, get this book. Santeria: The Religion contains over 65 remarkable photographs that will take you right into Santeria traditions. Interviews with practitioners reveal aspects of the religion rarely disclosed to non-believers. The time has come to reveal the growing spiritual practice that continues to gain ground worldwide, and to remove the fear and distrust from people who do not understand. Here is the truth about the religion. Get Santeria: The Religion today.
