oppression - Editorial Review - Background on Emmanuel Acho About the Original Book: Emmanuel Acho wants to have the uncomfortable conversations about race that so many of us try to avoid. His first book is just that--a series of questions and answers in conversational format that address racism on an individual and systemic level. He answers burning questions on everything from saggy pants and durags to the justice system, poverty, and crime. He is here to help you recognize your own bias and privilege and better understand the history of being black in America, and to offer earnest suggestions as to how we can all move forward, both as individuals and as a nation.

Black Women, Cultural Images and Social Policy offers a critical analysis of the policy-making process. Jordan-Zachery demonstrates how social meanings surrounding the discourses on crime, welfare and family policies produce and reproduce discursive practices that maintain gender and racial hierarchies. Using critical discourse analysis (CDA), she analyzes the values and ideologies ensconced in the various images of black womanhood and their impact on policy formation. This book provides exceptional insight into the racing-gendering process of policy making to show how relations of power and forms of inequality are discursively constructed and impact the lives of African American women.
