'Stay Healthy, Be Happy, Live Longer' addresses the reality that tens of millions of ordinary people are allowing heart disease, and other related conditions such as obesity, diabetes and blood pressure, to creep up on them and impact their lives detrimentally. Not because they don't know how to keep them at bay -we all know that already-, but because they cannot sustain the rigorous day-to-day lifestyle changes recommended by the medical profession and indeed, with the best of intentions, by most of the other books on the subject. It faces squarely the reality that old habits can be deep-rooted and new lifestyle changes difficult to make permanent.

Uniquely it gently motivates the reader to make whatever degree of change they are able to habitualize. It provides the readers with a clear understanding of the benefits to be gained from making the changes, and a practical methodology of change that can ebb and flow in harmony with the readers' own natural tendencies and preferences.

A New York Times, USA Today, and Wall Street Journal Bestseller. One word. Stay. It was all he had to do. Instead, he got on that bus and took my heart with him. That was seventeen years ago. I moved on. Marriage. Kids. White picket fence. Everything I ever wanted, but my husband betrayed me and I was left once again. Alone, penniless, and with two boys, I had no choice but to return to Tennessee. He wasn't supposed to be there. I should've been safe. However, fate has a way of stepping in. This time around, the tables are turned. It's my decision. Second chances do exist, but I don't know if we can repair what's already been broken . . . From USA Today bestselling author Julianne MacLean comes a contemporary romance full of passion, desire, and suspense.

Professional security expert Jocelyn MacKenzie knows better than to mix business with pleasure, especially in the presence of her new client, Dr. Donovan Knight, a wealthy, handsome heart surgeon.

She's been burned by handsome men before, so all she wants to do is her job and protect him from the stalker who's been sending him threatening letters. But it's not easy to stay focused when she feels an intense attraction that can't be ignored... When danger escalates and the stalker makes an attempt on Donovan's life, he agrees to leave town under Jocelyn's protection and hide out with her in a secluded cabin in the woods. Jocelyn wants to keep things professional, but Donovan is falling fast and hard for his female bodyguard, and he has other ideas. Now the challenge is to get her
