The first novel in The Kingdom Series as Robert Low moves from the Vikings to the making of Scotland.

The Lion Wakes tells the modern story of HSBC, starting in the late 1970s, when the bank first broke out of the Asia-Pacific region with its purchase of Marine Midland Bank in the US. It follows HSBC's battle to purchase Midland Bank in1992, the subsequent move of head office from Hong Kong to London, and the string of acquisitions that brought the bank to its pre-eminent place in global finance today. Acclaimed historians Richard Roberts and David Kynaston chronicle the bank's struggles as well as its successes: the last part of the book deals with the ill-fated move into consumer finance in the US, as well as the financial crisis of 2008 and its effect on HSBC. Impeccably researched and generously illustrated from the HSBC archives, this is a valuable addition to global financial history.

Wilbur, the lion, Rombus, the fox, and Oatebans, the Jackal brothers, all have their own battles of survival. Rombus stumbles upon a discovery amidst a battle of interests relationship with Wilbur. Battle for survival turns into one for total dominance of the savannah. No one wants to admit that the race is on, all the while, endeavoring to wrest control of the same, however, some battles will have to be conceded in order to win the overall war. What makes this book metaphysical is the plethora of psychological persuasion techniques traved throughout the story line. Over the three book series, Savannah Kingdom will offer itself as an allegory on the course freedom has been put upon, ever since the events of 911.

Wake Up! Preparing for the End-Times Outpouring is a trumpet calling the body of Christ to wake up to the fact that we are living in the "post defeat of the saints era" (see Dan. 7:21). Wake Up! gives the historical evidence of the defeat of the saints, in contrast it looks at the characters of Daniel and his friends and the first disciples and shows how they acted and responded to the stimulus from their culture, so they could be effective witnesses for Jesus Christ. Wake Up! encourages believers to become overcomers at the end of the end-times and to learn to counteract against the defeat of the saints. Believers are called to be continually filled by the Holy Spirit, to learn to release the gifts of the Spirit to destroy the works of the Devil, and to bring in the harvest and glorify the Lord. You will learn: The defeat of the saints prophesied in Daniel 7:21 is shown with numerous historical evidences how the defeat of the saints has occurred over the past three centuries. The saints are now living in the "post-defeat of the saints era," but they are not to remain defeated. They need to be continually filled by the Holy Spirit and then demonstrate who Jesus is to the whole world. The little horn is still trying to defeat the saints through the illuminati, whose goal it is to completely wipe out Christianity with their eugenic plans wanting to kill 90 percent of the world. The Ancient of Days has been pouring out His Spirit to help the saints to defeat the works of the Devil. Believers are to receive the Holy Spirit continually and then learn to demonstrate the gifts of the Spirit so we can bring glory to the Lord.

Join Silvanus Scathe, Abel Vykter, Willen Hartt, and Redina Tuserve on a journey that will take you beyond belief. With the persecution of Christians coming down hard and heavy, God's people are forced to take refuge in an underground church known as the City On A Hill. From this place hidden in plain sight, a minister is sent to locate and guide three children back to its safety. In the adventures that follow, they are met with many trials and learn that they are more than conquerors through Jesus Christ. www.kingdomcometheseries.com

Every year since 1790 (during the presidency of George Washington), the President of the United States has given an annual speech to the nation. That speech is known as The State of the Union Address. In it, he discusses the greatest problems of the nation as well as a plan to overcome them. The president's speech is one that unifies the nation and encourages citizens to work together to improve the country, as one people, regardless of party association or general beliefs and convictions. The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties, life, and opportunity that the United States has to offer. This is a noble cause, and makes the State of the Union Address more than simply a speech. It is a bond that brings people together under the red, white, and blue. Accordingly, millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks. Undoubtedly, the State of the Union is an important event. The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it. Countries all around the world are affected by the legislative agenda of the U.S., as discussed in the speech, regarding economies, human rights, defense, human aid, global business, trade, environmental issues, world health, and more. Given the value placed on the State of the Union, one should reasonably conclude that a state of the world address is in order. After all, doesn't SOTU, generally speaking, focus mostly on the well-being of the United States? Of course it does. Now, what seems more appropriate is to have a general address concerning the physical, but even moreso, the spiritual state of every nation in the world. That's to say that spiritual life reigns supreme, and every nation is under God, both in spirit and in flesh. God's Kingdom Government rules all other kingdoms. And that is the premise behind the State of the Kingdom Address (SOKA). SOKA is a parody of SOTU. In a sense, it is intended to awaken governments and people worldwide. The LORD not only wants to show his authority and authorship on earth as the Almighty, but He desires to (1) build up the Body of Christ (2) usher in the end-time revival, and (3) bring the people back to Him. The book is intended to show people that we have gotten away from the big picture. People have become so focused on the small insignificant things in life, like 'The State of the Union' (as important as it is), yet have lost track of the things which matter most—God and His Kingdom. Without question, most people would likely agree that God's Kingdom is the most powerful, important government in the world. Through SOKA, the world will see that the state of a country pales in comparison to the state or condition of God's Kingdom, namely, the Church. That inevitable day of Jesus Christ coming back to earth is approaching. And the world has to prepare for it, in the midst of going about our daily lives. Are you ready for the ride of your life? Enter, Chapter One: Behold, I Come Quickly.....if you dare..

Lazlo Greyson, a millionaire CEO and descendant from a line of kings, is lonely. He's finished with gold-digging socialites and seedy one-night stands. He needs something a bit more permanent. Peter Elliot might be able to help him find what he needs, but the man is bad news and Lazlo knows it. When Elliot introduces him to Soraya Hefferman, a beautiful, trained orphan girl, Lazlo is sold. As Lazlo feared, Elliot had a hidden agenda. The woman he fell in love with isn't what he thought she was. Things take a serious turn for the worse and his whole life is turned upside down when he lands at Draoithe in need of help from the tiger queen to save his life. Meet the Ghost King of Lyons Gate, a newly crafted outpost kingdom in this spinoff story from the Draoithe saga. Steamy PNR Urban Fantasy Fated Mates 18+ HEA! NC1 \*\*\*Warning: Adult Themes, Fantasy Violence, and/or Explicit Sexual Situations. Intended for a Mature Audience.

This carefully crafted ebook: "AYESHA SERIES – Complete Collection: She (A History of Adventure) + Ayesha (The Return of She) + She & Allan + Wisdom's Daughter" is formatted for your eReader with a functional and detailed table of contents: “She” is one of the classics of imaginative literature, and one of the best-selling books of all time. She was extraordinarily popular upon its release and has never been out of print. The story is a first-person narrative that follows the journey of Horace Holly and his ward Leo Vincey to a lost kingdom in the African interior. There they encounter a primitive race of natives and a mysterious white queen named Ayesha who reigns as the all-powerful “She”, or “She-who-must-be-obeyed”. In this work, Rider Haggard developed the conventions of the Lost World subgenre, which many later authors emulated. “Ayesha, the Return of She” is a gothic-fantasy novel, a sequel to his far more popular and well known novel, She. “She and Allan” is a novel, in which Haggard brought together his two most popular characters, Ayesha from She (to which it serves as a prequel), and Allan Quatermain from King Solomon’s Mines. Wisdom’s Daughter is the final book in the Ayesha series. Sir Henry Rider Haggard (1856-1925) was an English writer of adventure novels set in exotic locations, predominantly Africa, and a pioneer of the Lost World literary genre. His stories, situated at the lighter end of Victorian literature, continue to be popular and influential. His novels portray many of the stereotypes associated with colonialism, yet they are unusual for the degree of sympathy with which the native populations are portrayed.
