Which cities offer the best quality of life? How do you build a good school? How do you run a city? Who makes the best coffee? And how do you start your own inspirational business? With chapters on the city, culture, travel, food, and work, the book also provides answers to some key questions. Works as a guide but also includes essays that explore what makes a great city, how to make a home and why culture is good for you

The Monocle Guide to Good Business follows up on the success of The Monocle Guide to Better Living. The book offers multifaceted perspectives on the world of work today and in the future--from compelling business ideas to inspiring company cultures. Ever since the launch of Monocle in 2007 this highly successful global magazine and media brand has championed a clear and new take on the world of work It has encouraged its readers to start their own businesses, do the thing that makes them feel fulfilled (even if it means ditching a comfortable corporate salary), and find places to build their HQ that deliver a good quality of life too. The magazine's belief in making things (and making them well), using your hands, doing an apprenticeship, and keeping things small and tight has linked perfectly with a community of entrepreneurs who are determined to find their own way in the world --and know that this will allow them to run their lives in new and fresh ways. These developments are also expressed in the maker movement, new shared spaces, and unusual business schools. So it was a natural step for the magazine's team to create The Monocle Guide to Good Business. This guide is not your traditional business book, but it does give advice on how to go from clever fledgling idea to success story and introduces people with inspiring stories. The Monocle Guide to Good Business is also a picture-rich journey for anyone who runs a company, wants to run a company, or wishes their boss had some new ideas It will even tell you why you need an office dog. From the best business neighborhoods to the sturdiest desks, this book will have you planning a new career --or at least fixing your office. It's a book that should be thumbed and used. It's a manual and a manifesto, a guide and a good read.

In this joyful new book Monocle unpacks what makes a great city, whether you're looking for a new place to call home or need help fixing your own. How do we make better cities - places that work for people of all ages and backgrounds? How do we make cities that provide the obvious essentials - great transport, good places to work - as well as the softer elements that truly deliver quality of life, from urban swimming pools to rooftop clubs? Since its launch in 2007, Monocle has been passionate about making better places to live. Every year it publishes a Quality of Life Survey, which names the top 25 cities to call home. In addition, across the issues, it has interviewed the best mayors, looked at the metropolises putting pedestrians first and met the people creating the best parks, both pocket and grand. Discover how you too can have a High Line, create the most covetable housing or turn a dirty river into a summer asset. Packed with great images and intriguing reports, this is a book that takes the urbanism debate away from city hall and explains what's needed in ways that will inspire us all.

A handbook for making a home that will stand the test of time; take knocks and scuffs in its stride; and where lives can unfold, children grow up, and dogs run wild.

A timely handbook helping readers think about how to slow down, reconnect, and live a gentler life.

A sumptuous serving of Madrid's outposts of good food, design, retail, and more, this definitive travel guide will make you feel like a local no matter where you are from.

Brussels may be the heart of the EU but unassuming Antwerp has long been one of Europe's most prosperous ports. Join us as we drop anchor at both cosmopolitan hubs - and dip in and out of a few of Belgium's smaller, canal-laced cities in between. It's a boon and burden to Belgium that Brussels is the capital of both the country and the rest of Europe. There are many benefits to hosting this lofty seat of power but the city can also fall victim to the associated red tape. An hour away by train, Antwerp is a more relaxed affair, where the creative and cultural scenes almost outshine the city's famous diamonds. For this travel guide we've toured both destinations and found plenty of gems throughout.

Monocle's latest book unpacks what makes a perfect shopping experience and offers tips on how to launch, design and run your own store. A must-have guide. The world of retail has never been so -challenged thanks to a mix of e-commerce, unimaginative brand owners and greedy landlords. Yet while many stores have -stumbled, a new generation of storekeepers and department store owners is arising. Is this the dawn of a new, independent age of bricks and mortar retail? Since launch the retail world has been one of the pillars of Monocle's editorial -coverage. On their travels around the world, the magazine's editors are constantly looking for well-designed fit-outs, the people setting new benchmarks in service and the stores offering the smartest product mix. At the heart of all this is an understanding that a memorable shopping experience relies on a delicate balance of an inviting space, a warm welcome and a sense of discovery (not to mention covetable products)--but an understanding, too, that shops and shopkeepers play an indispensable role in creating lively neighbourhoods and vibrant high streets. This new book from Monocle reveals the global media brand's 100 favourite shops worldwide, from the independent fashion boutique to the department store that takes up a city block. It also offers a few top tips and advice on how to launch and run your own retail venture, as well as a collection of sharp essays and snappy interviews. The Monocle Guide to Shops, Kiosks and Markets is a handbook for any aspiring shopkeeper, stocking a wealth of insight and inspiration.
