This page is a short history of the origins and development of the English language. The history of the English language really started with the arrival of three Germanic tribes who invaded Britain during the 5th century AD. These tribes, the Angles, the Saxons and the Jutes, crossed the North Sea from what today is Denmark and northern Germany.

In the Archaic Era of Greek history the aristocratic control of government was undermined by the increasing wealth and internal security of the city-states.

Democracy was one of many new forms of government to emerge, and until the fifth century a wide variety of models of democratic government were tried, before the form of democracy found in Athens became the model on which newly established democracies founded their constitutions.

In The Origins and Development of Ancient Greek Democracy, James L. O'Neil

Get Free The Origins And Development Of The

examines the origins of democracy in Ancient Greece, not only in Athens, but also in other Greek states including Syracuse, Rhodes, and the Hellenistic Federal states, and traces its development into the most common form of government found in Greece by the mid-fourth century.

This book presents an interdisciplinary overview of the origins of African livestock, placing Africa as one of the world centres for animal domestication. With sections on archaeology, genetics, linguistics and ethnography, this collection contains over twenty
