animated films of the time, Disney hired a group of "concept artists" whose sole mission was to explore ideas and inspire their fellow animators. *They Drew as They Pleased* showcases four of these early pioneers and features artwork developed by them for the Disney shorts from the 1930s, including many unproduced projects, as well as for *Snow White and the Seven Dwarfs*, *Pinocchio*, and some early work for later features such as *Alice in Wonderland* and *Peter Pan*. Introducing new biographical material about the artists and including largely unpublished artwork from the depths of the Walt Disney Archives and the Disney Animation Research Library, this volume offers a window into the most inspiring work created by the best Disney artists during the studio's early golden age. *They Drew as They Pleased* is the first in what promises to be a revealing and fascinating series of books about Disney's largely unexamined concept artists, with six volumes spanning the decades between the 1930s and 1990s."--Provided by publisher.
