Detective Richard Fell is transferred over the bridge from the big city to Snowtown, a collapsing urban trashzone. In a place where nothing seems to make any sense, Fell clings to the one thing he knows to be true: everybody's hiding something.

Established in Waco in 1968, the Texas Ranger Hall of Fame and Museum honors the iconic Texas Rangers, a service which has existed, in one form or another, since 1823. They have become legendary symbols of Texas and the American West. Thirty-one Rangers, with lives spanning more than two centuries, have been enshrined in the Hall of Fame. In The Ranger Ideal Volume 1: Texas Rangers in the Hall of Fame, 1823-1861, Darren L. Ivey presents capsule biographies of the seven inductees who served Texas before the Civil War. He begins with Stephen F. Austin, "the Father of Texas," who laid the foundations of the Ranger service, and then covers John C. Hays, Ben McCulloch, Samuel H. Walker, William A. A. "Bigfoot" Wallace, John S. Ford, and Lawrence Sul Ross. Using primary records and reliable secondary sources, and rejecting apocryphal tales, The Ranger Ideal presents the true stories of these intrepid men who fought to tame a land with gallantry, grit, and guns. This Volume 1 is the first of a planned three-volume series covering all of the Texas Rangers inducted in the Hall of Fame and Museum in Waco, Texas.

Over the past several years, Ken Wharton, himself a former soldier, has been prolific in his coverage of the Troubles, which spread their tentacles far from the streets, and fields of Northern Ireland. Over 4,000 people died in or as a consequence of them and it cost the lives of over 1,300 British soldiers - a fact which is unacknowledged by the MOD - and the lives of over 300 policemen and women. This is Ken's sixth book about the period and he draws on meticulous and detailed research, first-hand testimony of the soldiers who trod the same streets as himself, and an almost encyclopedic knowledge of the near 30-year period of murder, violence and civil war. The first-hand accounts help us to understand and examine the fears of the young soldiers who patrolled the dangerous streets of the Ardoyne and New Lodge, of Andersonstown, Turf Lodge and Ballymurphy and of the Creggan in Londonderry and the Derrybeg in Newry. He looks at the Loyalist paramilitaries and treats their sectarianism and mindless murder with the same contempt with which he treats the Republicans. He does not mince words about the Irish-Americans and their political stooges in the US Government, judicial system and the ordinary '7th generation Irishmen of the American East Coast.' This is a book not just for soldiers, but for anyone who wishes to look back and try to understand the madness inflicted upon several generations of innocent Irish and British people. In years to come, historians - both social and military - will reflect on this period of insanity with a greater knowledge than hitherto. If you wish to know how it felt to be an innocent sectarian victim, or an off-duty soldier or policeman or a young lad from Leeds, Liverpool or London hard targeting through the Lower Falls, then this book is a must read.

What happens when a 5,000-year-old Starman, a Voodoo Queen, a sarcastic, telepathic cat, and a motley crew of former Louisiana Creole military veterans join forces to save America from a mutating Nano virus? New Orleans is Ground Zero for the Russian Mafia's most sinister plot yet. But their plan to release a Nano virus that mutates and kills food crops is missing one vital component - water. Lucky for them, The Big Easy has plenty to spare! A band of untamed and unfettered misfits join forces to stop the Russians or watch as they destroy crops from coast-to-coast. With amazing skills, highly volatile personalities, unadulterated chaos, and more drama than a soap opera, the crew of unlikely allies must achieve the impossible. Can they do it without creating another disaster or will it be chaos? Find out in this Sci-fi Action-Adventure novel!

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

In the year 3075, Earth can barely sustain life. After years of space exploration, Captain/Commander William Samuel Hart and his crew from the International Space Exploration Command onboard the U.S.S. Abraham Lincoln discover a solar system called Calsisko. The system consists of twelve habitable planets. Unfortunately, the Redtiska, an evil and highly advanced alien race, rule Calsisko. The objective of the Redtiska is to conquer the universe and enslave all life forms. They came to Calsisko and defeated the original inhabitants -- the Spikecons, Crabpols, and Sqaureplex - in only six weeks. The

Download Free They Who Fell Volume 1

Captain/Commander and his crew join forces with the Universal Peace Alliance, comprised of five alien races from systems outside of Calsisko. The goal of the U.P.A. is to defeat the Redtiska. Compromising the efforts of the U.P.A. are human emotions and passions, including a forbidden affair. Twenty-one-year-old author, Brett T. Mazzoni, incorporates detailed alien cultures and advanced technology in his first Science Fiction novel. The ending to Calsisko Volume I: The Beginning of the War leaves readers eager for the next book of the trilogy.

This work is written with a law enforcement officer's investigative mindset and from the perspective of a prisoner. I discovered through a survey of Christian bookstores that no books were exclusively on or about repentance, but most only touched on the topic. The only author who had anything to say about repentance beyond a mere mention was Charles G. Finney in Finney's Systematic Theology. This 600-page work transformed my thinking and influenced my investigation. This book discusses spiritual leadership without bashing any spiritual leader. It points out carnality without castigating any particular ministry or denomination. Hundreds of illustrations will familiarize the reader with revelations about repentance and carnality. These illustrations, like parables, contain revolutionary truths that are true to Scripture, reason, and life, so that Repentance: The Doctrine of God may become one harmonious revelation! Warning: As you read this book, you will encounter deep-seated carnality residing within the blackened depths of your soul, and it will not want to be exposed! But take heart! Almighty God will accompany you on this journey for the complete regeneration of your soul.

The Magical Kingdom of Klyrode summons hundreds of heroes from other worlds every year to fight in their war against the Dark One and his army of powerful demons. Banaza is one of those heroes, summoned from the Royal Capital Paluma, but something's not right—Banaza is only an average merchant. He has no magic, no fighting ability, and his stats are abysmal. Worse, a mishap leaves him unable to return home! Rejected as a hero and stranded in another world, abandoned to the far reaches of the kingdom by a cruel king who just wants him gone, Banaza's fate looks pretty bleak. But what will happen once the failed hero candidate finds himself with super cheat powers once he hits level two?
