root yourself in the truth and grow strong in your beliefs as you become the person God designed you to be.

Today, so many are fearful of the unknown – a crumbling economy, job loss, loneliness, terrorism, tragic news around every corner. We are overwhelmed. Does the security and peace that should come from knowing we are in the hands of a loving God now seem to be an empty promise? Perhaps that's because we have built our foundation on someone else's faith – parents', friend's, or pastor's, so we merely inherit a relationship with Jesus, but never find our own. A true storyteller and a teacher with a heart for ministry, Mark Hall traces the tragic, downward spiral that leads to a life of fear and spiritual compromise, and then charts the hopeful, upward road to the joy and confidence that comes when we claim our very own Jesus. Through fascinating personal stories, scriptural insights, and practical interactive studies, *Your Own Jesus* will liberate readers from compromise and empower them with joy and confidence.

Why are so many so close to the Well and still so thirsty? Mark Hall takes the powerful story of the Woman at the Well and her encounter with Jesus to help readers understand that the "wells" we go to for life and sustenance, the "wells" of success, talent, control, favor, religion, etc., are keeping us from relying on Jesus and his abundant life, and we will never be truly satisfied until we realize that and go to Him for our needs.

compromise with the world, and then charts the upward road to wholeness and health that comes when we claim our very own Jesus. Why are so many Christians living such empty, fruitless lives? Why is our faith so weak, our character so shallow? Perhaps it's because we've merely inherited someone else's Jesus. We've relied on what our family, friends, or pastors have told us about God, rather than discovering the living Lord ourselves. But what if we could enter into a relationship so personal, so intimate and vibrant, that it changed everything? A true storyteller and a teacher with a heart for ministry, Mark Hall traces the tragic, downward spiral that leads to a life of fear and spiritual compromise, and then charts the hopeful, upward road to the joy and confidence that comes when we claim our very own Jesus. Through fascinating personal stories, scriptural insights, and practical interactive studies, this brand new edition of *Your Own Jesus* will liberate readers from compromise and empower them with joy and confidence.

Annie has many unanswered questions! Will she find her one and true love or will she be destined to stay single all her life and do a work for God?

Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible adult." For now, he's got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot---sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesn't fit into her new, sophisticated world of designer gowns and concert halls. They're in different leagues and Abby makes no qualms of reminding him of it
