Why Moats Matter: The Morningstar Approach to Stock Investing

by John C. Bogle

John C. Bogle is the founder and former CEO of Vanguard Group, Inc., a leading provider of investment services. He is also the author of several books, including *Why Moats Matter: The Morningstar Approach to Stock Investing*.

*Why Moats Matter* is a practical guide to identifying and investing in companies with sustainable competitive advantages, or "moats." Bogle explains how to evaluate a company's moat and how to use this information to make better investment decisions.

The book is written in a clear, accessible style and is suitable for both novice and experienced investors. It is a valuable resource for anyone looking to build a long-term, successful investment portfolio.
